Accessories

Bucas Girth Range

The new range of girths from Bucas cater for all disciplines with the Optima shaped girth, the Connect girth and Connect Dressage girth. They are all designed to ensure that the pressure is evenly distributed across the horse's trunk.

OPTIMA

The Bucas Optima girth is anatomically shaped for extra freedom around the elbow area. It is also re-enforced so it can help protect the horse's belly when jumping. Its high performance Bucatex lining prevents the girth from slipping without causing chaffing to the skin and the outside of the girth is aerated and wipe clean for easy care. Available in Black and Brown. Sizes: 90cm/36" - 155cm/62".

Re-enforced layer

Bucatex Lining

Each girth features

- Triple elastic on both ends
- Buckle to buckle webbing
- Stainless steel buckles
- D-Ring for any training aids to be attached.

CONNECT

Bucas Connect all-purpose girth is made of high quality neoprene, easily cleaned with soap and sponge. It offers excellent comfort, strength and stability. Available in black and brown. Sizes 80cm/32" - 150cm/60".

Bucas Connect Dressage girth is made so that the girth straps slot into the girth. Hook and loop keepers over the buckles to keep straps in position. Available in black and brown. Sizes 40cm/16" - 80cm/32".

BUCAS THE INTELLIGENT CHOICE

Bucas Max Saddle Pads

The **Bucas Max Saddle Pad** is layered with a special 'Stay-Dry' fleece. This layer helps remove sweat and moisture from the horse's back, ensuring that it is always a comfortable fit. An anti-bacterial treatment ensures the pad maintains freshness.

Features:

- Quilted with High-Density Wadding for excellent comfort.
- Stay-Dry lining wicks moisture away during exercise and helps prevent overheating of the horse.
- Anti-Bacterial lining helps to prevent the spreading of skin irritants from one horse to another.

- Available in Dressage and All Purpose/Jumping.
- Machine Washable.
- Hook and Loop adjustment straps to provide a tailored fit for every saddle.

- One size to fit 17" - 18" saddles
- Choose from Black with Silver piping, Navy with Silver piping or White with White piping.

Bucas Halters

Bucas offer two types of halters: **Comfort Halter** and **Dublin Halter**. Both have soft but strong webbing, padded noseband and head piece and a specially shaped ring making it easier to open and close with the snap hook. Dublin Halter sizes are Foal - XL.

The **Comfort Halter** also has a wider padded noseband and head piece providing the best possible comfort for your horse. Sizes are Pony - XL.

Dublin Lead Reins

Padded Lead reins to match your Dublin halters. Two metres in length with a snap hook attached to the end to connect to the halter.

Bucas Spur Straps

Bucas Spur Strap is a fully flexible and adjustable webbing strap with non rust metal buckles.

Bucas Travel Boots

Bucas travel boots are available in 3 types: The 2000 Boot, 3/4 Boot and Freedom Boot, all offering outstanding protection for your horse while they are travelling. Sold in sets of four.

2000 Boots

3/4 Boots

Freedom Boots

The Bucas 2000 Boots are made of tough outer fabric and a Stay-Dry inner lining. Cushioned padding so they will fully contour to the horse's leg. Four straps on the front boot and five on the rear boot. Elasticated top strap on hind boot for secure fit. Available in Full and Cob in Black and Navy.

The Bucas 3/4 Boots come with all the features of the 2000 boots but made shorter in length. Three straps on the front and back boots. Available in Full and Cob sizes in Black and Navy.

Bucas Freedom Boots are designed to provide protection and also offer great fit and ease of handling. Available in Black in Full, Cob and Pony sizes.

Olympic Team Gold Medalist Mary King proudly sponsored by Bucas.

Bucas Max Bandages

The Bucas Max Bandages are the best you can get to help protect your horse when you are exercising. Each bandage is three metres long and made with quality fleece which provides enough bandage to go down and back up your horse's leg. Hook and Loop fastening keeps the bandage securely in place.
